CAUSE NO. 05-1009

FILED FOR REC'D
HARRISON COUNTY, TEXAS
CLERK DISTRICT COURT

2005 NOV 16 PM 1:21

SHERRY DUFFIE
IN THE 71ST JUDICIAL
DEPUTY

CARRIE ALEX, *et al.*

Plaintiffs,

vs.

HONEYWELL INTERNATIONAL INC.

Defendant.

§
§
§
§
§
§
§
§

DISTRICT COURT IN AND FOR

HARRISON COUNTY, TEXAS

PLAINTIFFS' ORIGINAL PETITION

TO THE HONORABLE JUDGE OF SAID COURT:

NOW COMES, Plaintiffs Carrie Alex, *et al.* complaining of Defendant Honeywell International Inc., and for cause of action would as follows:

I.

DISCOVERY LEVEL

Because of the number of parties and the complexity of this case, the Plaintiffs plead this cause of action under Discovery Level III. Plaintiffs will ask that the Court enter a Scheduling Order once all the parties have answered.

II.

JURISDICTION AND VENUE

The Court has jurisdiction over the Plaintiffs because they are citizens of the State of Texas. The Court has jurisdiction over the Defendants because the Defendant is a corporation doing business in the State of Texas and Defendant entered into a contract to be performed in Texas. This Court has jurisdiction over the controversy because the damages sought are within

EXHIBIT

C2

the jurisdictional limits of this Court.

Venue is proper in Harrison County pursuant to Tex. Civ. Prac. & Rem. Code §15.002 because all or a substantial part of the events and omissions giving rise to this cause of action occurred in Harrison County, Texas. Further, venue is proper in Harrison County pursuant to Tex. Civ. Prac. & Rem. Code §15.003 as to any Plaintiff joining in because (1) maintaining venue in Harrison County does not unfairly prejudice any other party; (2) there is an essential need to have each Plaintiff's claim tried in Harrison County; and (3) Harrison County is a fair and convenient venue for all parties in this case.

III.

Plaintiffs are Carrie Alex who is a resident of Harrison County, Texas, and other individuals listed on the attached Exhibit A.

Defendant Honeywell International Inc. may be served with process by serving its registered agent, CT Corporation System, 350 N. St. Paul Street, Dallas, Texas 75201

IV.

Plaintiffs bring suit against Honeywell for breach of contract. Plaintiffs and Honeywell entered into a settlement agreement whereby Plaintiffs agreed to release certain claims against Honeywell. A copy of the settlement agreement is attached as Exhibit B. Plaintiffs who are parties to the Settlement Agreement are listed as Exhibit A-1 to the Settlement Agreement. For purposes of this Petition, Plaintiffs have redacted the Plaintiffs' Social Security numbers which were listed on the Exhibit A-1 to the Settlement Agreement. Each of Plaintiffs is entitled to payment from Honeywell under the Settlement Agreement.

V.

Plaintiffs have performed all of their obligations under the settlement agreement. Despite

demand, Honeywell has failed and refused to pay the sums due to Plaintiffs under the settlement agreement. Further, Honeywell has ignored repeated requests for arbitration as called for under the settlement agreement. Honeywell has breach its agreement with Plaintiffs which has proximately caused damages to Plaintiffs in excess of the minimum jurisdiction limits of this Court.

VI.

Plaintiffs in this case are workers who were exposed to asbestos supplied to their employers by various companies including North American Refractories Company. (NARCO). As a result of their exposure to NARCO products, Plaintiffs suffered asbestos related injuries. Honeywell is a related company of NARCO, and as such, is liable for the damages resulting from NARCO's sale of asbestos products. NARCO has previously filed bankruptcy under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Western District of Pennsylvania. Honeywell choose the settle Plaintiffs' claims against Honeywell by agreeing to pay money outside and independent of the NARCO bankruptcy. That decision by Honeywell resulted in the Exhibit B settlement agreement.

VII.

Plaintiffs stipulate that they are not asserting in this suit any claims that are stayed as a result of the NARCO bankruptcy, nor any injunction issued by the NARCO bankruptcy court.

Plaintiffs are asserting no claims against NARCO in this action. Further, Plaintiffs are asserting no claims against Honeywell which arise from the NARCO Product Line. Plaintiffs' claims are solely against Honeywell for Honeywell's breach of its settlement agreement with Plaintiffs.

VIII.

As a result of Defendant's actions, Plaintiffs have been required to bring this action to

enforce their rights under the Settlement Agreement. Plaintiffs seek recovery of reasonable and necessary attorneys' fees.

PRAYER

Plaintiffs pray that the Court enter judgment against Defendant for actual damages, attorneys' fees, prejudgment and post judgment interest, cost of court, and such other relief to which Plaintiffs may be entitled.

Respectfully submitted,

THE CARLILE LAW FIRM, L.L.P.

Re: Settlement of Current NARCO Claims

Dear Mr. Vaughan:

This letter (the "Agreement") memorializes the terms and conditions pursuant to which Honeywell International Inc. ("Honeywell") and all persons listed on Exhibit A hereto (the "Current Claimants"), acting by and through Cascino Vaughan Law Offices Ltd. ("Cascino Vaughan") as their counsel, have agreed to settle the claims (the "Current Claims") of the Current Claimants against Honeywell and/or North American Refractories Company ("NARCO") that allege that the Current Claimants were exposed to asbestos-containing product(s) manufactured or distributed by NARCO or its predecessors (the "NARCO Product Line"), which exposure contributed to the cause of the Current Claimants (or claimants' decedents') personal injury or death.¹

This Agreement is premised on the following facts and circumstances:

Cascino Vaughan shall notify Honeywell in writing by November 30, 2003 of the names and disease categories of any Current Claimants that choose to opt-out of the settlement addressed in this Agreement.

10/21/2004 14:20 FAX 1 312 944 1870

a. Pursuant to the Purchase Agreement between NARCO Investors, Inc., Allied Corporation and Allied Canada, Inc. dated October 24, 1985, as amended, Honeywell as successor-in-interest to Allied Corporation may have exposure in connection with potential liability for certain products included in the NARCO Product Line;

b. NARCO filed a petition for protection under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Western District of Pennsylvania (the "Bankruptcy Court") on January 4, 2002, and all claims against NARCO were automatically stayed;

c. The Bankruptcy Court issued a Temporary Restraining Order on January 4, 2002 staying the commencement or prosecution of all actions against Honeywell arising out of the NARCO Product Line;

d. Honeywell has proposed to participate as the principal funder of a trust to be established pursuant to Section 524(g) of the United States Bankruptcy Code (the "Trust"), to which all present and future claims against NARCO and/or Honeywell arising from the NARCO Product Line will be channeled;

e. Cascino Vaughan, counsel for the Current Claimants, have conducted investigations into the facts of each of the Current Claims and have concluded that a settlement with Honeywell on the terms set forth herein is in the best interests of each of the Current Claimants;

f. Honeywell, without conceding liability or making any admission with respect to any legal or factual issue, wishes to avoid further litigation of and to resolve the claims of the Current Claimants on the terms set forth herein, in exchange for a commitment by the Current

Claimants that they will support the establishment of a trust under Section 524(g) of the United States Bankruptcy Code in accordance with the principal terms set forth in the February 12, 2003 draft of the Asbestos Personal Injury Settlement Trust Distribution Procedures (the "Draft TDP", attached hereto as Exhibit B²).

Cascino Vaughan, as counsel for the Current Claimants, and Honeywell International Inc. thus stipulate and agree that all of the Current Claims shall be compromised and settled, and are settled as of the date of the execution of this Agreement, on the following terms and conditions.

1. No Admission of Liability. Neither this Agreement nor any of its provisions nor evidence of any negotiations or proceedings in furtherance of this settlement shall be offered or received in evidence in any action or proceeding as an admission or concession of liability or wrongdoing of any nature on the part of Honeywell or NARCO or anyone acting on their behalf, and Honeywell specifically denies any such liability or wrongdoing.

2. Effectuation of Agreement. All parties to this Agreement and their counsel shall exercise their best efforts (a) to promptly seek any required orders of all Courts with jurisdiction over the Current Claims to secure the complete and final dismissal with prejudice of Honeywell, NARCO and any and all of their officers, directors, employees, representatives, agents or attorneys from any actions filed by the Current Claimants, and (b) to effectuate this Agreement.

Regardless of whether the Bankruptcy Court approves the Trust, counsel for the Current Claimants shall refrain from initiating or prosecuting any legal action on behalf of a Current Claimant against Honeywell, other than for breach of this Agreement, or, with respect to Discontinued Products (as that term is defined in the Purchase Agreement between NARCO

² All references in this Agreement to the Draft TDP shall be understood to mean the Draft TDP, or any subsequent version of the TDP that is substantially similar to the Draft TDP and is

Investors, Inc., Allied Corporation and Allied Canada, Inc. dated October 24, 1985, as amended), against NARCO.

3. Release, Medical and Exposure Evidence. Current Claimants are eligible to seek compensation under this Agreement for the following Diseases, as defined in the Draft IDP attached hereto as Exhibit B: (a) Mesothelioma (Level VII); (b) Lung Cancer 1 (Level VI); (c) Other Cancer (Level IV); (d) Severe Asbestosis (Level III); (e) Asbestosis/Pleural Disease (Level II); (f) Other Asbestos Disease (Level I). Each Current Claimant seeking compensation under this Agreement shall provide to Honeywell (x) evidence sufficient to demonstrate that the claim meets the Medical/Exposure Criteria for the relevant Disease set forth in Sections 4.3(b)(3) and 4.7 of the Draft TDP, (y) a release for the benefit of Honeywell and a waiver of and covenant-not-to-sue on any claim he or she may have against NARCO relating to Discontinued Products, in the form of that attached hereto as Exhibit C ("Honeywell Release"), and (z) a statement of the Current Claimant's first date of exposure to an asbestos-containing product manufactured or distributed by NARCO.

4. Evidentiary Requirements.

a. Each Current Claimant shall have the option of submitting evidence to meet the criteria for payment of either of the two (2) Scheduled Values set forth in Section 4.3(b)(3) of the Draft TDP ("Scheduled Values") for the relevant Disease. At the time he or she submits a claim under this Agreement, each Current Claimant shall notify Honeywell whether he or she seeks to pre-qualify under Section 8 of this Agreement for payment of the Full Scheduled Value or the Reduced Scheduled Value, as defined in Section 4.3 (b)(3) of the Draft TDP. Current Claimants seeking to pre-qualify for the

supported by Honeywell.

007

Full Scheduled Value must provide "compelling evidence" that an asbestos-containing product manufactured or distributed by NARCO or its predecessors was present at the worksite at which the claimant alleges he or she was exposed, and Current Claimants seeking to pre-qualify for the Reduced Scheduled Value must provide "credible evidence" that an asbestos-containing product manufactured or distributed by NARCO or its predecessors was present at a worksite at which the claimant alleges he or she was exposed to that NARCO product. The terms "compelling evidence" and "credible evidence" are defined in Section 4.3(b)(3) of the Draft TDP, and shall have the same meaning under this Agreement as in the Draft TDP.

b. In addition, each Current Claimant must provide medical and exposure evidence sufficient to show that the claimant meets all criteria set forth in the Medical/Exposure Criteria column of Section 4.3(b)(3) of the Draft TDP. All medical and exposure evidence offered in support of a claim must satisfy the evidentiary requirements set forth in Section 4.7 of the Draft TDP.

5. Payment on Current Claims.

a. In exchange for a Release from each Current Claimant, the parties agree that, upon presentation of the requisite exposure and medical evidence set forth in Section 4 above, Honeywell will pay each Current Claimant the Settlement Value set forth below for the Disease for which the Current Claimant qualifies for compensation under this Agreement in accordance with the schedule set forth below, as follows:

Mesothelioma (Draft TDP Level VII)

Long Cancer (Draft TDP Level VI)

Other Cancer (Draft TDP Level IV)

10/31/2004 14:22 FAX 1 312 944 1870

CASCINO VAUGHAN LAW OFF

008

Asbestos-Related Nonmalignant
Disease (Draft TDP Level I, II, or III)

\$ 600

Honeywell shall pay (i) one-half (1/2) the amount due to each Current Claimant who qualifies for payment for Mesothelioma, Lung Cancer or Other Cancer, and (ii) the full amount due to each Current Claimant who qualifies for payment for Asbestos-Related Nonmalignant Disease, in a single payment to be made no later than ninety (90) days following submission of the documentation required to support the claim under this Agreement.

b. If the Bankruptcy Court approves a plan of reorganization for NARCO that includes the Trust by June 30, 2004, Honeywell shall have no further payment obligation under this Agreement. In the event the Bankruptcy Court does not approve such a plan of reorganization by June 30, 2004, Honeywell shall pay the second one-half (1/2) of the Settlement Value to each Current Claimant who qualifies for payment for Mesothelioma, Lung Cancer and Other Cancer, within 30 days after June 30, 2004.

6. Effect of Payments. Honeywell's payment to a Current Claimant of the applicable Settlement Value, or portion thereof, for the Disease for which such claimant qualifies for payment in accordance with Section 5 above shall fully satisfy Honeywell's payment obligation with respect to such claimant under the terms of this Agreement and under the terms of any agreement to settle with Honeywell or NARCO pending as of January 4, 2002, where applicable.

7. Establishment of Trust. Current Claimants who are to receive payment under this Agreement, acting by and through Cascino Vaughan, agree that they, as present claimants with alleged claims against the Trust to be established in connection with the NARCO bankruptcy, will vote in favor of establishment of the Trust under Section 524(g) of the United States

Bankruptcy Code in accordance with the principal terms set forth in the TDP attached as Exhibit B hereto (or any substantially similar TDP that is approved by Honeywell) in any proceedings thereon before the United States Bankruptcy Court for the Western District of Pennsylvania (or any other court of competent jurisdiction).

8. Payments from the Trust.

a. Each Current Claimant who receives compensation under this Agreement may seek payment from the Bankruptcy Trust, to the extent set forth in this Section 8. If a Current Claimant has submitted to Honeywell exposure and medical evidence that satisfies the Medical/Exposure Criteria of Sections 4.3(b)(3) and 4.7 of the Draft TDP for the Disease and Scheduled Value for which the claimant seeks compensation, Honeywell shall pre-establish the eligibility of such Claimant for payment of the relevant Scheduled Value for the applicable Disease from the Bankruptcy Trust under Section 4.3(b) of the TDP; provided, however, that the Trust shall be entitled to reduce the amount awarded by the Trust by the amount paid or to be paid by Honeywell pursuant to Section 5 hereof. Current Claimants receiving payment from Honeywell under Section 5 of this Agreement agree to waive their right to seek Individual Review in the Trust under Section 4.3(c)(1) of the Draft TDP.

b. Within 120 days of the Effective Date of the Trust, as defined in the Draft TDP, Honeywell shall notify the Trust that the Claims of Current Claimants who have provided to Honeywell exposure and medical evidence that meets the requirements of Sections 4.3(b)(3) and 4.7 of the Draft TDP are "Pre-Established Liquidated PI Trust Claims" ("Pre-Established Claims") as defined in Section 4.2(a) of the Draft TDP, which Honeywell has approved based on submission of all documentation required under this

010

Settlement Agreement. With such notice, provided the Current Claimant has included with his/her claim submission, or thereafter provides, a Trust Release (in addition to the Honeywell Release), Honeywell shall provide the Trust the appropriate "proof of claim form" and Trust Release, so that each such claim can be placed in the FIFO Payment Queue of such Pre-Established Claims in accordance with the terms of the Draft IDP.

9. Arbitration. All parties to this Agreement agree to arbitrate all disputes arising out of or relating to this Agreement, including any disputes concerning the eligibility of a Current Claim for payment or the appropriate amount of such payment, in accordance with the terms set forth herein. In the event of arbitration of any issues associated with a Current Claim, the parties agree to cooperate to make available to the other parties any information pertinent to the sufficiency of the claim. A panel of three arbitrators shall be chosen according to the rules of the American Arbitration Association. Venue for arbitration shall be in New York and the arbitrators shall apply New York law. The arbitrators shall render a final decision according to the rules and practices of the AAA based on the written submissions of the parties, within 45 days of submission of any dispute to them. The parties agree to be bound by the decision of the arbitrators.

10. Termination. Honeywell shall have the option to terminate this Agreement, and shall have no obligation to pay any Current Claimant any amount hereunder, in the event that by November 30, 2003 (a) equal to or greater than 5% of the Current Claimants with Asbestos-Related Nonmalignant Disease have declined to settle with Honeywell hereunder, or (b) equal to or greater than 2% by disease of the Current Claimants with Mesothelioma, Lung Cancer or Other Cancer have declined to settle with Honeywell hereunder. In the event that Honeywell exercises this option to terminate, Honeywell shall so notify counsel for the Current Claimants in

10/21/2004, 14:22 FAX 1 312 944 1870

CASCINO VAUGHAN LAW OFF

011

writing by no later than December 31, 2003, and any Releases already provided to Honeywell shall be void and not effective.

11. Essential Terms. The parties agree that the provisions of Paragraphs 3-8 above, are essential to and unseverable from this Agreement; if any of Paragraphs 3-8 are breached or declared to be void or voidable, the entire Agreement shall be breached or be void or voidable.

12. Breach. Breach of any single section of this Agreement, other than paragraphs 3-8, shall not be construed to be a breach or repudiation of the whole Agreement.

13. Waiver. The waiver by any party of any breach of any term or condition of this Agreement shall not be construed as a waiver of any other breach of such term or condition, or of any breach of any other term or condition of this Agreement.

14. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument.

15. Modification. This Agreement may be modified only by written agreement of the parties.

16. Confidentiality. The parties shall treat this Agreement and all terms and conditions thereof as confidential and shall not disclose the Agreement or any of its terms and conditions to any person, except as may be required by law or court order, including without limitation, by the Bankruptcy Court in connection with its consideration of the Trust.

17. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York (regardless of the laws that might otherwise govern under applicable principles of conflicts of law thereof) as to all matters, including, but not limited to, matters of validity, construction, effect, performance and remedies.

10/21/2004 14:23 FAX 1 312 944 1870

012

18. Legislation. The enactment of federal legislation that provides for a trust fund or other alternative mechanism for resolution of asbestos personal injury claims shall supersede this Agreement, and this Agreement shall become null and void, and the parties shall have no further obligations hereunder.

Please countersign this letter below to memorialize your agreement, on behalf of the Current Claimants, to the terms and conditions hereof, and to finalize this Agreement.

Very truly yours,

Peter M. Kreindler
Senior Vice President and General Counsel
HONEYWELL INTERNATIONAL INC

RE: NARCO Additional Sites

Dear Ms. Davis:

Ellen Fenenbaum Esq. suggested that I advance to you the following additional site to add to your NARCO approved sites:

TXU Corporation Power Plants - There are 24 TXU plants in the US, 23 of which are in Texas. This includes 18 gas fueled plants, 1 nuclear plant, and 4 lignite-coal fueled plants.

Very truly yours,

Allen D. Vaughan

cc David Carlile, Esq.
Fax: 903-938-0235

Scott

NARCO

NARCO PRODUCTS HAVE BEEN PLACED AT THE FOLLOWING LOCATIONS IN THE POWER PLANTS WITHIN THE T.X.U. SYSTEMS. AT THE A.B. & C START-UP BOILERS AND IN THE SUPER HEAT SECTIONS. THE FIRE BRICKS, WHICH ARE BEIGE OR CRÈME COLORED ARE USED IN THE LOWER ENCLOSURE OF THE BOILER, AND THE BOTTOM ASH SECTIONS, IT IS ALSO IN THE SMOKE STACKS AT THE PLANTS.

THERE WAS A REVISION DONE ON LEVEL 8 ON THE UNITS IN 1991 AND 1992 WHERE A ENTRY DOOR WAS ADDED AND THE BRICKS WERE USED IN THE PASSAGEWAY FOR INSULATION. DUE TO THE HIGH TEMPERATURES THAT ARE ATTAINED IN THIS AREA OF THE FURNACE. THESE PRODUCTS ARE ALSO USED IN THE FLUID COOLED SPACER TUBES IN THE UPPER ARCH SECTION OF THE FURNACE

Energy Production

Search TXU:

Power Plants

of more than 1 million people.

TXU has a balanced portfolio of merchant generation plants - a fleet of 24 in North America. This diverse fleet includes 18 gas, one nuclear and four lignite-coal fueled plants to meet the energy needs of more than 59 million customers. In addition to nuclear and fossil fuel produced power, TXU purchases wind-generated, renewable energy to supply the needs of our customers. TXU Energy's renewable projects in 2001 provided enough energy to power approximately 355,000 homes or to supply the annual energy needs

Gas Fueled Plants

Collin

The Collin Steam Electric Station is a single unit gas/oil fired power plant located in Collin County about 35 miles north of Dallas, Texas. The plant has a generating capability of 153,000 kilowatts. Oil storage capacity on the plant site is 120,000 barrels.

DeCordova

The DeCordova Steam Electric Station is comprised of a conventional gas/oil generating unit and four combustion turbines for a total capability of 1,138,000 kilowatts. The plant is located near Granbury in Hood County, Texas. The combustion turbines went into operation at DeCordova in 1990.

Eagle Mountain

The Eagle Mountain Steam Electric Station is a three unit gas/oil fired power plant located in Tarrant County about 25 miles north of Fort Worth Texas. Eagle Mountain has a total generating capability of 665,000 kilowatts. Eagle Mountain has on-site oil storage capacity of 397,500 barrels.

Graham

The Graham Steam Electric Station is a two-unit gas/oil fired power plant located in Young County near the town of Graham, Texas. Total generating capacity of the Graham plant is 630,000 kilowatts. On-site storage capacity is 655,000 barrels.

Lake Creek

The Lake Creek Steam Electric Station is a two unit gas/oil-fired power plant located in McLennan County, Texas. Lake Creek also has three diesel generators. Total generating capability of the Lake Creek Plant is 323,000 kilowatts. On-site storage capacity is 422,000 barrels.

Lake Hubbard

The Lake Hubbard Steam Electric Station is a two unit gas/oil fired power plant located in Dallas County, Texas. Total generating capacity of the plant is 921,000 kilowatts. On-site storage capacity is 405,000 barrels.

Morgan Creek

The Morgan Creek Steam Electric Station is a five-unit gas/oil power plant located in Mitchell County, Texas. The plant also has six combustion turbines. Total generating capacity is 1,138,000 kilowatts.

capacity of the Morgan Creek plant is 1,212,000 kilowatts.

North Lake

The North Lake Steam Electric Station is a three unit gas/oil fired power plant located in Dallas County, Texas. The plant has a total generating capacity of 715,000 kilowatts. On-site oil capacity is 385,000 barrels.

North Main

The North Main Steam Electric Station is a single unit gas fired power plant located in Tarrant County, Texas. The plant has a generating capability of 80,000 kilowatts used for the peak period during the summer months.

Parkdale

The Parkdale Steam Electric Station is a three unit gas/oil fired plant with a total generating capacity of 327,000 kilowatts. The plant is located in southeast Dallas, Texas. On-site storage capacity is 60,000 barrels.

Pedricktown

The newly acquired Pedricktown Cogeneration LP facility is a gas/oil combined-cycle power plant located in Pedricktown, New Jersey. The plant has a generating capability of 122,000 kilowatts, and was purchased by TXU in 2002 to serve customers in the Pennsylvania-Jersey-Maryland (PJM) market.

Permian Basin

The Permian Basin Steam Electric Station is a two unit gas/oil fired power plant located in Ward County, Texas. The plant also has five combustion turbines. Total generating capacity of the plant is 980,000 kilowatts.

River Crest

The River Crest Steam Electric Station is a single unit gas/oil fired power plant located in Red River County, Texas. Total generating capability of the plant is 110,000 kilowatts. The unit is capable of burning fuel oil. On-site oil storage capacity is 62,500 barrels.

Stryker Creek

The Stryker Creek Steam Electric Station is a two unit gas/oil fired power plant located in Cherokee County, Texas. Both units are capable of burning fuel oil. The plant also has five diesel generators, which can provide additional power to the system as needed. Total generating capability of the plant is 685,000 kilowatts. On-site storage capacity is 100,000 barrels.

Sweetwater

The newly acquired Sweetwater Steam Electric Station is a single unit gas/oil combined-cycle power plant located in Nolan County, Texas. The plant also has five combustion turbines. Total generating capability of the plant is 255,000 kilowatts.

Tradinghouse Creek

The Tradinghouse Creek Steam Electric Station is a two unit gas/oil fired plant located east of Waco, Texas in McLennan County. The plant has a total generating capability of 1,383,000 kilowatts. On-site storage capacity of the plant is 362,000 barrels.

Trinidad

The Trinidad Steam Electric Station is a single unit gas/oil fired power plant located in Trinidad, Texas. Both units are capable of burning fuel oil. The plant also has two diesel generators, which can provide additional power to the system as needed. Total generating capacity of Trinidad is 244,000 kilowatts. The on-site fuel oil storage capacity is 192,000 barrels.

Valley

The Valley Steam Electric Station is a three unit gas/oil fired power plant located in Fannin County, Texas. Total generating capacity of the plant is 1,115,000 kilowatts. On-site storage capacity is 412,000 barrels.

Lignite Plants

Big Brown

The Big Brown Steam Electric Station was the first major lignite-fueled power plant built to serve Texas customers. The plant is located in Freestone County, Texas. The generating capacity of Big Brown is 1,150,000 kilowatts. Generation is from two units, rated at 575,000 kilowatts each.

Martin Lake

The Martin Lake Steam Electric Station is a three unit lignite-fired power plant located in Rusk County, Texas. Each of the three units has a generating capacity of 750,000 kilowatts for a total capacity of 2,250,000 kilowatts. Martin Lake is the largest lignite-fired generating plant in the world.

Monticello

The Monticello Steam Electric Station is a three unit lignite fueled power plant located in Titus County, Texas. Two of the units have a generating capacity of 565,000 kilowatts. The third is a 750,000 kilowatt unit, for a total capacity at Monticello of 1,880,000.

Sandow

The Sandow Steam Electric Station is a four unit lignite-fired power plant located in Rockdale, Texas. Three units are owned by Alcoa for its aluminum production facility located across from the power plant. The fourth unit is owned and operated by TXU and has a net capacity of 545,000 kilowatts.

Nuclear

Comanche Peak

The Comanche Peak Steam Electric Station is a two-unit nuclear-fueled power plant located in Somervell County, Texas. Fuel for the plant is uranium dioxide. Each of the two units has a generating capacity of 1,150,000 kilowatts, for a total generating capacity of Comanche Peak is 2,300,000 kilowatts. TXU built the plant and is responsible for operating it.

Renewable Energy

In addition to these renewable energy projects, TXU has a number of other projects underway.

Big Spring Wind Power Project

The Big Spring Wind Power project represents the first major TXU Energy purchase of wind energy and resulted from years of thoughtful planning by TXU Energy. The project is located about eight miles east of Big Spring, Texas, and has four large turbines with a total energy capacity of 40,000 kilowatts. York Research Corporation of New York built and manages Big Spring. In 1999, TXU Energy entered a contract to purchase all of the electricity generated at the site for 15 years.

Indian Mesa

In September 2000, TXU entered into an agreement to purchase a portion of renewable energy from the Indian Mesa Wind Farm in Pecos County, Texas. The farm is owned and operated by FPL Energy. Indian Mesa has 125 Vestas wind turbines. Approximately 48 wind turbines with a generating capacity of 31,500 kilowatts are dedicated to TXU Energy.

Pecos 1 & 2

In July 2000, TXU Energy entered into a contract with FPL Energy to purchase the energy produced from Pecos 1 & 2 Wind Farm located in Pecos County, Texas. FPL Energy built, owns and operates 242 wind turbines at Pecos 1 & 2. The energy capacity of the wind farm is 160,000 kilowatts.

Trent Mesa

In 2001, TXU Energy contracted with AEP to purchase wind power from the Trent Mesa Wind Farm located about 24 miles west of Abilene, Texas. AEP developed, owns, operates and maintains the wind farm. TXU Energy will purchase power produced by the 150,000 kilowatt facility for the next 10 years.

RE: Authority for Settlement of Current NARCO Claims

Dear Mr. Carlile:

In order that I may negotiate and settle for your cases with NARCO/Honeywell, please sign below to grant your approval.

Please contact me with any questions or concerns.

Very truly yours,

Allen D. Vaughan

I, David Carlile, do hereby grant full authority to Allen Vaughan and Cascino Vaughan Law Offices to negotiate for The Carlile Law Firm's cases with NARCO/Honeywell and their attorneys.

David Carlile, Esq.
The Carlile Law Firm
